INSPECTION

NUMBER	CLASS
official use only	official use only

DELTA REGION SCCA SOLO TECHNICAL INSPECTION CARD

- Prep your car, bring it to Tech for a Safety inspection
- Place your Tech Card on your windshield. (Tech is FREE, despite what the Chief of Tech may say. Don't give him any money, or he'll just ask for more)
- Stay with your vehicle until Tech is completed. (unattended cars will be sold at Auction)

EXTERIOR:

- No play in wheel bearings
- Tires in good condition, with no cord or steel showing.
- Tire pressures should be recently checked.
- Numbers and Class Markings correct
- Hub Caps and Trim Rings: Hub caps, trim rings and wheel covers must be removed for competition, unless they are bolted to the wheel.

INTERIOR:

- Steering has no excessive play
- Firm brake pedal
- Loose Items removed
- Floor mats removed
- Safety Belts firmly attached and in good condition.
- OTHER:**
Safety Helmet: SN95 or higher (DOT rating is inadequate). Loaner Helmets are available.

ENGINE COMPARTMENT:

- Solidly Mounted Battery
- Positive Throttle return
- No fluid leaks
